consultations have taken place or continuing. Arnside House, for sale, no current plans. Missed bin collections still happening across the parish.

14. **POLICE MATTERS** –PC Fisher shared the following: Anti-social behaviour is decreasing, not as rapidly as hoped, it is likely that it will spike over the warmer months. Started to see some fires, some of which have been started by juveniles. Recent work has seized over 7500 cannabis vapes as well as seizing over £500,000 cash from drug dealers.

Speeding – just over 400 letters have been sent, some changes have been seen, there has been a reduction in speeding in Garlands Road but not yet in Brisco. Road traffic team have spent time in Brisco and will return. Static camera has been purchased which will allow more targeted intervention and the heatmaps have helped with this. There have been a number of racist incidents in the area that the Police are dealing with.

CLLrs raised the following points:

E-bikes being used in on roads and disregarding the rules of road.

A suggestion was made that it would be worth reminding school children in Year 5&6 about cycle safety.

Is it possible to resolve the issues of parking at Durdar crossroads

Nitrous Oxide use – is escalating, police would like to know where, when and who to be able to deal with effectively.

15. PLANNING APPLICATIONS -

a. resolved to submit observations on the following applications

25/0207	Land at Garlands Road and Cumwhinton Road north of Speckled Wood, Garlands Road, Carlisle	Erection Of Upto 180no. Dwellings (Outline)
<p>The parish council does not object to the application although would like to see the following conditions imposed at this stage:</p> <ul style="list-style-type: none"> • as the proposed site is situated on the side of a hill, we would like to see that grit bins are in place and arrangements made for their replenishment • We would like to see traffic calming measures on the “Main Street” such as priority sections so that the road does not become a shortcut traffic route between Garlands Road and Cumwhinton Road. • At each end to the “Main Street” ie at Cumwhinton Road and Garlands Road we would like to see the development provide an improvement to the current road infrastructure in the area and provision of a roundabout to at each entrance, thereby slowing traffic on both Cumwhinton Road and Garlands Road. • Whilst we applaud the retention of the hedging around the site, we would also like to see if there is then a possibility of widening the footpath along Garlands Road. • We would like to see that this development will make a proportionate contribution both to the overall development costs of the Garden Village Infrastructure and more particularly to more local infrastructure in the Carleton area. 		
25/0024/TPO	11 Cherry Lane, Carlisle, CA1 3GJ	Removal Of Deadwood/Storm Damaged Branches & Crown Lifting Of Redwood Tree
Support as it is good management of the tree		

b. noted the following applications that were delegated to the Clerk for decision following consultation with councillors and the comments below made online.

25/0007/HDG	Floshes Farm, Durdar Road, Carlisle, CA2 4TR	Removal Of Hedge To Merge With Next Field	No objection although would prefer this to be carried out after the bird nesting season.

St Cuthbert Without Parish Council AutoSpeedWatch Camera Policy

Effective Date: July 2025

1. Introduction

This policy sets out the guidelines for the use of AutoSpeedWatch cameras within the parish to support community speed monitoring efforts. The system is designed to enhance road safety by identifying persistent speeding issues and assisting local authorities in enforcement actions.

2. Purpose

The primary objectives of deploying AutoSpeedWatch cameras are:

- a. To improve road safety by monitoring vehicle speeds.
- b. To provide intelligence to local authorities and police regarding speeding trends.
- c. To support Community Speedwatch initiatives in reducing excessive speeding.

3. Location(s)

AutoSpeedWatch cameras may be placed at locations that meet the following criteria:

- a. Where local feedback from residents including members has identified a potential speeding issue.
- b. Where police or local authority requests are made
- c. Only where suitable locations in relation to the roadway and height can be found.
- d. Where permission has been sought from either the other authorities to use their infrastructure, eg lamp columns or telegraph poles or where the highway authority has given permission for the Parish Council to have a dedicated pole installed in the highway verge.

4. Responsibilities

- a. The parish council will oversee the installation and operation of the cameras.
- b. A designated Community Speedwatch Coordinator will manage data collection and liaise with local authorities. This will be the Clerk.
- c. The system will be used solely for monitoring speeding vehicles and will not record personal data beyond vehicle registration details.

5. Compliance with Regulations

- a. The use of AutoSpeedWatch cameras will comply with the Protection of Freedoms Act 2012 and the Surveillance Camera Code of Practice.
- b. Privacy Impact Assessments will be conducted before installation to ensure compliance with data protection laws.
- c. Clear signage will be placed to inform the public about the presence of speed monitoring cameras.

6. Data Handling and Reporting

St Cuthbert Without Parish Council

Parish Clerk: Nick Phillips (for Correspondence Only) 14 Twickenham Court, Carlisle CA1 3TW

Tel: 0750 800 1602 Email: clerk@StCuthbertWithout-PC.gov.uk

Web www.stcuthbertwithout.org.uk

- a. Captured data will be reviewed and validated by registered users before being shared with local authorities.
 - b. The system will not store continuous surveillance footage but will only capture images of speeding vehicles.

Summary

There is no data to show for June – the camera was damaged when a member of the public rotated it on the pole, the case was cracked indicating that the camera had probably been hit with something. This happened twice and the camera needed to be repaired.

Dear M 

My apologies for the significant time it has taken to respond to your complaint since it was first acknowledged by Mr Hardman (Head of Planning - Carlisle) back in June 2024.

As way of an update, officers from the council's planning and building control services have attended the site in the last few weeks when the developer had undertaken additional work to allegedly make the building safe. Further information was requested by the council from the developer and a meeting is to be held shortly involving officers from planning/enforcement/building control/conservation and legal services to establish the action required to deal with the complex situation and difficult development site. Conservation and public safety are our key concerns. A lead planning enforcement officer James Ward has been tasked to liaise and co-ordinate actions including neighbour notification. His email for your reference is james.ward@cumberland.gov.uk

I can advise you that the developer has secured the listed building and obtained professional reports on its structural integrity. He has also sought health and safety advice. He has raised further concerns with us about the stability of the building and specifically the potential danger of the building falling onto the highway. In order to deal with the alleged danger, he undertook to remove the roof which has sadly resulted in further collapse of the structure. The developer has been asked by officers of the council to provide further relevant information and the Council collectively is considering its position with regards to the outstanding development and works undertaken. Some of this information is legally sensitive and we are not able at this time to divulge details which may prejudice the council's legal position.

I hope this update is helpful to you and gives you some comfort that the matters you raise are being looked into by the council. I apologise again for the significant time it has taken to respond to your initial complaint to Mr Hardman. Measures are being taken by the council to address such email back logs and improve the complaints management and service communication in the Carlisle office.

Yours sincerely

Michael Barry

Electoral Review – Draft Recommendations

The full document can be found at the following location

https://www.lgbce.org.uk/sites/default/files/2025-06/cumberland_draft_recommendations_report.pdf

There are proposals regarding the Upperby part of the ward being included with Currock in terms of representation from Cumberland Councillors.

From a Parish Council perspective the changes are to create an additional ward and reduce the number of members for the St Cuthbert Without ward so that there is greater representation from the urban parts of the parish.

Area/Ward	Current no of elected members	Proposed no of elected members	Current members
Parklands	7	7	Reed, Stringfellow, Bowman, Nanson (3 vacancies)
Speckled Wood	1	1	Vacancy
St Cuthbert Without	7	3	Bird, Bradford, Graham, Hayton, Stewart, Wallace, Turnbull
Upperby	0	4	

le the proposal is to create a new ward covering the Upperby part of the Parish and reduce the number of members in the St Cuthbert Without part of the parish. However, it should be noted that current members could chose to stand in a different ward if they meet the distance criteria. If more than 3 current members stand for election in the St Cuthbert Without ward then this would mean a contested election.

288 We are providing revised parish electoral arrangements for Millom parish.

Draft recommendations

Millom Town Council should comprise 15 councillors, as at present, representing three wards:

Parish ward	Number of parish councillors
Haverigg	3
Holborn Hill	5
New Town	7

289 We are providing revised parish electoral arrangements for Oughterside & Allerby parish.

Draft recommendations

Oughterside & Allerby Parish Council should comprise nine councillors, as at present, representing two wards:

Parish ward	Number of parish councillors
Allerby	2
Oughterside	7

290 We are providing revised parish electoral arrangements for St Cuthbert Without parish.

Draft recommendations

St Cuthbert Without Parish Council should comprise 15 councillors, as at present, representing four wards:

Parish ward	Number of parish councillors
Parklands	7
Speckled Wood	1
St Cuthbert Without	3
Upperby	4
